## Required documents

- Copy of the vehicle registration certificate
- Copy of the repair invoice of the workshop for the replaced windscreen
- Original annual toll sticker (detached) or fraction of the destroyed windscreen with vignette

## Declaration

- I expressly declare that the replacement costs for the annual toll sticker are not covered by an insurance (e. g. liability insurance, comprehensive insurance) or other claims against third parties. I hereby transfer any corresponding claims to ASFINAG Maut Service GmbH.
- I am aware that **incorrect or false information** that results in the replacement of vignettes in an unjustified manner will result in criminal proceedings and will be reported to the authorities without exception.

## Notes

Without a valid vignette (toll sticker or digital vignette) the use of the road network requiring a vignette is not permitted.

In general, we need three working days to review your application.
