

### HOW TO ATTACH THE STICKER

#### Car toll sticker

Attach the vignette on the inside of the **windscreen** of your car. Our recommendation: at top left or behind the rear view mirror. The vignette must be **clearly visible from outside**.

**Attention:** Do not attach the vignette in the tint strips!

#### Motorbike toll sticker

Attach the vignette on a **clean and non-replaceable part** of your motorcycle (e.g. a fork rod).

**Attention:** A vignette attached to a luggage case or a motorcycle bag is not valid.

**IMPORTANT:** A vignette that is just carried along in your vehicle (parking slip holder, glove box ...) is not valid!

#### How to remove a vignette

It is best to lift a corner with a glass or vignette scraper and then slowly pull off the vignette. Moisten the remains with water and wipe off with a clean cloth.

### YOUR BENEFITS:

- 1 No sticking on, no scratching off:** quickly and simply activated.
- 2 Broken windscreen? No problem:** The Digital Vignette is linked to the licence plate. And because there's no sticker, there's no need for a replacement vignette if your windscreen breaks.
- 3 Save money in the case of interchangeable licence plates:** You only need one single Digital Vignette which is valid for up to three vehicles.
- 4 Even better service with a subscription:** A subscription automatically renews the digital annual vignette until further notice. No more missed deadlines, no extra work, and a valid vignette at all times. Also applies to multi-trip pass for digital section tolls.

## FOUR SIMPLE STEPS TO YOUR DIGITAL VIGNETTE

- 1 Go to [shop.asfinag.at](https://shop.asfinag.at) or use our free **ASFINAG App**.
- 2 **Choose** between passenger car and motorcycle and determine the **period of validity**: 1-day, 10-day, 2-month or annual vignette.
- 3 Enter the **country of registration**, the **licence plate number** and your **e-mail address**. Select the validity start date. We will send your order confirmation to this e-mail address.
- 4 Pay with Amazon Pay, eps/giropay, credit card, PayPal, PaySEPA or SEPAexpress.

**Drive safely and affordably on 2,249 km of motorway:** With an annual vignette, you can drive on Austria's motorways and expressways for **less than 27 cents per day**.
